# License Agreement

Updated January 2021

You are granted the non-transferable right to synchronise the music into your productions under the following agreement.

---

None of the music on IB Audio has been registered with any PRO (Performing Rights Organisation) and as such is free from any PRO license fees.

All the music is copyright IB Audio. IB Audio owns all the rights the music, our music is 100% royalty free.

Territory is Worldwide.

License term is in perpetuity (forever).

## What You Can Do

- Commercial and non-commercial usage
- Use on all social media platforms
- Unlimited copies of your productions
- YouTube
- Monetize your content
- Music on hold
- Film & TV
- Games and APPS
- Podcasts
- Educational Usage (see below for details)

## Things you cannot do

- You cannot resell or re-distribute our music as music only
- You cannot give away our music as a music only product
- Advertising budgets over \$10,000 (contact for extended license)
- NOT for ringtone APPS
- NOT for music only APPS
- NOT for inclusion with web templates

We allow most things, but you cannot simply purchase our music and give it away it must be incorporated into a production where the music plays a supporting role.

## **Cue Sheets**

If you are requested to file a cue sheet please use the following information:

**Composer - Ian Blumfield**

**Company (distributor) - IB Audio**

## **Crediting**

This is not strictly needed, but we would really appreciate a credit if you use our music in your productions.

If you are using any FREE tracks that you have downloaded then you will need to credit us - Music by IB Audio <https://www.ibaudio.com>

## **Educational Usage**

The school/University can use the music for the purposes of teaching.

## **Bespoke Licenses**

If you need a bespoke license creating with your production details adding, please get in touch and we will get that sorted for you.
